- (iii) Theory Diagnostics is a diagnostic laboratory in Kanpur and has a branch at Lucknow. A survey under section 133A was conducted, consequent to which the assessee filed return of income. On the basis of certain incriminating documents and materials unearthed during the survey, a notice under section 148 was issued. Subsequently, the incomes were assessed for assessment years 2017-18 and 2018-19 under section 143(3) read with section 147.

The assessee raised additional jurisdictional grounds before the Appellate Tribunal. The assessee contended that for the relevant assessment years, the assessment was completed under section 143(3) read with section 147. However, a notice under section 143(2) was not issued by the Assessing Officer for those years. The Tribunal held that in view of section 292BB, the assessee's participation in the reassessment proceedings would condone the omission to issue a notice.

Discuss, with the aid of a Supreme Court case law, whether failure to issue notice under section 143(2) would vitiate the assessment notwithstanding the assessee's participation in the proceedings. Would section 292BB come to the rescue of the Revenue authority if they omit to issue notice under section 143(2)? Examine. **(4 Marks)**
